*Additional flu info*

## Post copy:

Getting your flu shot is the most effective way to stay protected from flu this winter. The flu shot is free for:

- people aged 65 and over
- people who are pregnant
- Aboriginal and Torres Strait Islander people aged 6 months and older, and
- people with medical conditions that put them at increased risk of severe flu.

Stay home if you're unwell, and if you're worried about your symptoms, speak to your doctor.
